What is SHRM?

Society for Human Resource Management (SHRM) is the world's largest HR professional society, representing more than 285,000 members in more than 165 countries.

For more than 70 years, SHRM has been the leading provider of resources, serving the needs of HR professionals and advancing the practice of human resource management. SHRM has more than 575 affiliated chapters within the United States and subsidiary offices in China, India and United Arab Emirates.

What is HR Indiana SHRM?

HR Indiana SHRM is the Indiana State Council of SHRM. Our mission is to advance the human resource profession and serve the professional by providing diverse resources, innovative leadership and development opportunities.

We host the annual state SHRM conference, typically held in August, which boasts:

- 175+ exhibitors

- 1,500+ attendees

- World-renowned keynote speakers and educational sessions aligned with SHRM competency body of knowledge

We also provide resources and support to the 15 SHRM-affiliated chapters across Indiana. Each of the 15 local chapter presidents represent their region by sitting on the State Council.

Can I join HR Indiana SHRM?

HR Indiana SHRM does not have its own members. It is an organizing and governing body over the state's 15 local chapters. You cannot join HR Indiana SHRM, but, rather, your local chapter.

Who are the Indiana SHRM local affiliate chapters?

In Indiana, SHRM has 15 local affiliate chapters. These chapters provide local programming and networking opportunities for HR professionals in their geographic region.

SHRM chapters are autonomous organizations. Being a national SHRM member does not automatically make you a member of your local chapter, or vice versa. You must join your local chapter separately.

Joining your local chapter is easy. Simply find your chapter on the map on the back of this brochure, and join online.
